FIELD DEFINITION AND SCOPE

Subject added entry in which the entry element is a meeting or conference name.

Subject added entries are assigned to a bibliographic record to provide access according to established subject cataloging principles and guidelines. Field 611 may be used by any institution assigning subject headings based on the lists and authority files identified in the second indicator position or in subfield \$2 (Source of heading or term). Subject added entries for meeting or conference names that are entered subordinately to a corporate body are recorded in field 610.

GUIDELINES FOR APPLYING CONTENT DESIGNATORS

Description of the first indicator position and all subfield codes, as well as input conventions for the 611 field, are given in the [XII Meeting Names-General Information](#) section. Because the second indicator is different for various fields, it is not described in the general information section, but is described below.

■ INDICATORS

Second Indicator - Thesaurus

Subject heading system or thesaurus used in constructing the subject heading.

0 - Library of Congress Subject Headings

Subject added entry conforms to and is appropriate for use in the Library of Congress Subject Headings (LCSH) and the Name authority files that are maintained by the Library of Congress. Conforms to LCSH is defined as:

- headings (or headings and subdivisions) found in the LC authority files (including name authorities), or in the latest edition of LCSH, including the latest microfiche, printed version, CD-ROM, and supplements;
- headings constructed following AACR2;
- headings found in the LC authority files, the latest edition of LCSH, or constructed following AACR2 to which is added a free-floating or regular subdivision according to the rules stated in the Subject Cataloging Manual: Subject Headings, particularly subdivisions listed in the pattern lists, and geographic subdivisions formulated and applied according to the rules in the manual;

1 - LC subject headings for children's literature

Subject added entry conforms to the "AC Subject Headings" section of the Library of Congress Subject Headings and is appropriate for use in the LC Annotated Card Program.

2 - Medical Subject Headings

Subject added entry conforms to and is appropriate for use in the National Library of Medicine authority files.

3 - National Agricultural Library subject authority file

Subject added entry conforms to and is appropriate for use in the National Agricultural Library subject authority file.

4 - Source not specified

Subject added entry conforms to a controlled list that cannot be identified by second indicator values 0-3, 5-6 or by a code in subfield \$2.Field 653 (Index Term-Uncontrolled) is used to record terms that are not derived from controlled subject heading lists.

5 - Canadian Subject Headings

Subject added entry conforms to and is appropriate for use in the Canadian Subject Headings that is maintained by the Library and Archives Canada.

6 - Répertoire de vedettes-matière

Subject added entry conforms to the Répertoire de vedettes-matière that is maintained by the Bibliothèque de l'Université Laval.

7 - Source specified in subfield \$2

Subject added entry conforms to a set of subject heading system/thesaurus building rules. The identifying code is given in subfield \$2.
